Ballet Improvers

"I have been attending Ballet classes at Idea Store Learning for over three years now. I find them very inspirational. I learn a lot, and the classes are always fun."

I have taken part in all the summer shows since I started, this year being the third time. Last academic year, the Friday performance took place on my 82nd birthday. What better way to celebrate?

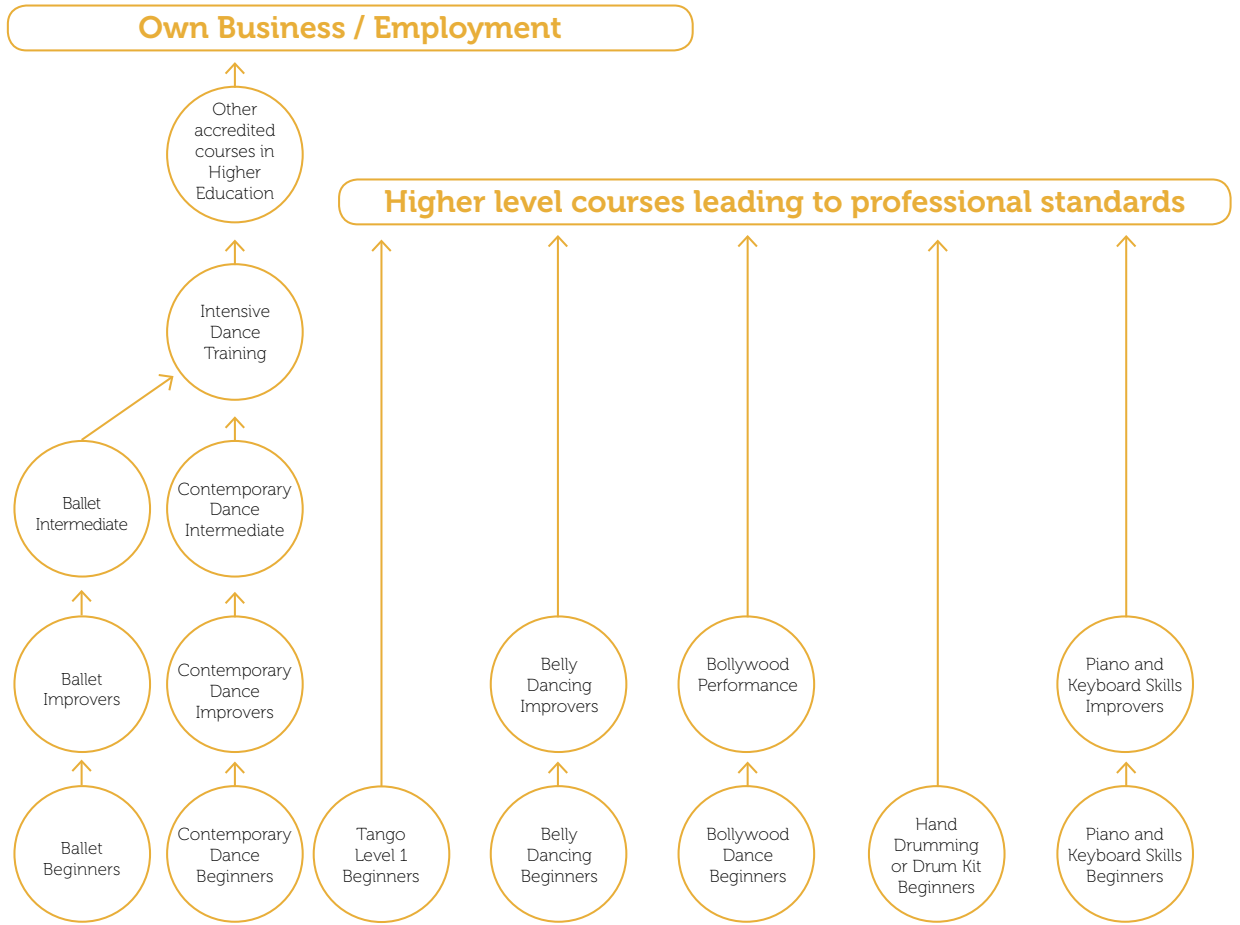

I find Ballet not only helps to keep me physically fit; it also keeps my brain active. Attending classes are also a good social outlet. There is always a happy atmosphere in class, and I have made new friends. I went through a very difficult period in my life when my husband became disabled, and I became his full time carer for six years until he died. Ballet classes were the only thing that kept me going at this time, and through my period of bereavement.

I think adult education classes are a good thing generally for society. They give purpose and motivation to people. Life would be very sad without them."

Intensive Dance Training

Do you want to engage in intensive dance training, pursue further professional dance training and develop a dance related career?

This might be the course for you. A one year dance programme which was originally developed in partnership with Birkbeck, University of London.

The programme is mainly centred on regular technique classes and creative workshops in Contemporary dance and classical Ballet.

It aims to prepare individuals wishing to audition and progress onto Professional Dance Training courses and or just wanting to engage in more intensive training. This course offers particularly good structured training for people in full time work. As well as one Ballet class and one Contemporary dance class a week (Mondays 6-9pm); you will be given performance opportunities including a fully staged production in a theatre at the end of the course.

Entry Requirement:

You should have some experience as a performer, who has received training in dance, and be presently capable of working at Improvers level (fundamental technical skills clearly understood and embodied) in Contemporary Dance and/ or elementary level (Confident grasp of the basic movement vocabulary) in classical Ballet.

To enrol on this course all interested participants must attend an audition.

To attend the audition, please contact us at:

ideastorelearning@towerhamlets.gov.uk

"I really enjoyed the class! I have learnt to control my body and muscles more. I love the teacher's approach and the fact she is well prepared and welcomes very well people with no ballet background."

Assessment Sessions for Performing Arts

Learners wanting to enrol on the Intensive Dance Training or the Ideachor Performance Group will have to attend an audition with the course tutor on the specified dates and times.
