

Technical and DIY Skills

"This upholstery course has been fantastic. I've learned the basic skills and am coming back next term - very impressed!"

Technical and DIY Skills

Learn Technical and DIY Skills

At Idea Store learning we offer a range of technical courses aimed at helping you learn or develop technical and DIY skills in a friendly and supportive environment. You do not need to have any previous experience as we have courses from beginner through to improver levels and self-directed workshop courses.

The courses on offer:

- Home Improvements Plumbing
- Soft Furnishings
- Stained Glass
- Upholstery

Learners with some existing knowledge and skills in upholstery can progress by joining our upholstery all levels* or improvers courses.

*All Levels courses are a mix of learners of all levels including beginners or advanced learners. You will be taught by highly skilled art and design practitioners and will use a range of excellent resources. Following an all levels, intermediate or advanced course learners may progress to one of our workshops.

Workshops

These workshops are for learners who want the opportunity to progress their work further for employment or exhibition within the creative industries sector.

The aim is for you to increase opportunities to raise your profile either through producing work for exhibition or competition or by direct employment, as self-employed entrepreneurs producing work for sale.

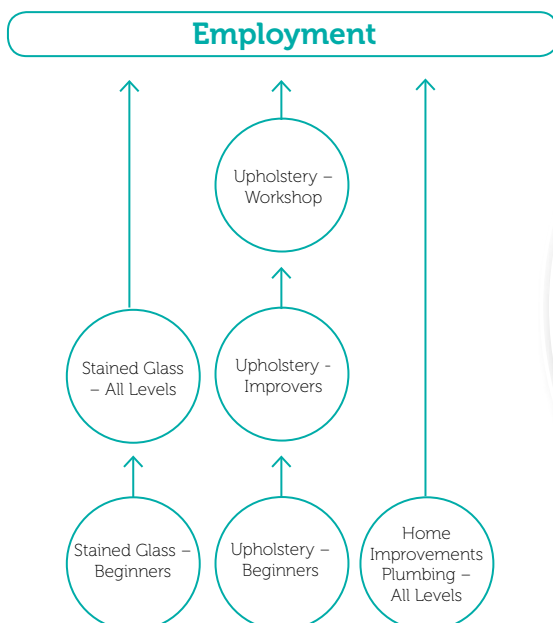

If you wish to enrol on a workshop class you must have completed at least 20 hours on one of our intermediate or improvers' courses, within the last three years or hold an equivalent level of knowledge and skills.

To join the workshops you may be directed to have a short telephone interview with a manager to assess your skills and knowledge.

Hazera Begum

Upholstery Beginners

"I thoroughly enjoyed every moment of this course. Silvia is a great teacher, very skilled."

Her teaching method is very relaxed, patient and she always works at your own pace. She makes the learning process very much fun. I feel I have been given a great insight into the craft of upholstery.

I never expected I would be able to achieve the work I did as a Beginner. I am very proud of my "Master Piece".

I always looked forward to attending my class each week. I intend to enrol next term and look forward to starting on my next project. I would highly recommend this course to anyone who's got an old chair, stool etc. that needs some love and attention. Idea Store Learning is the place to go!"
