

Cookery

I have improved in every area especially the basic baking process. I am so happy to be able to make my own bread at home for my family!

CASE STUDY

Brian Birch

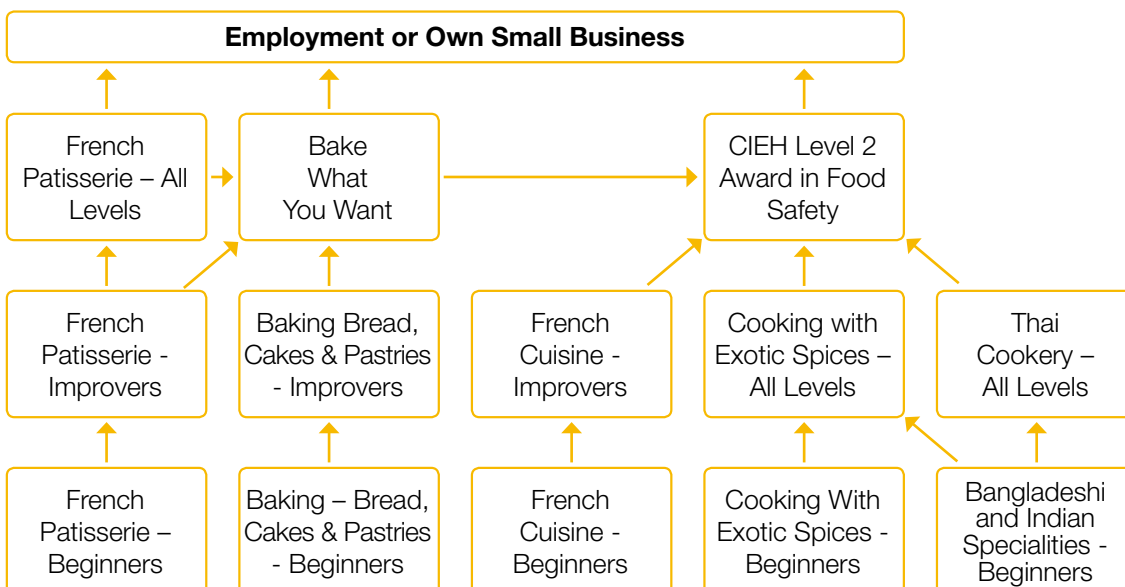

Bangladeshi and Indian Specialities

I have thoroughly enjoyed learning how to cook Bangladeshi and Indian curries. Muzamil the tutor is really knowledgeable and skilled in teaching these dishes and this has given me the confidence to cook the many different delicious dishes at home, from scratch using recommended ingredients.

I look forward every week to learning how to cook the different dishes and have noticed that my food shopping bill each week has reduced quite a lot. I will definitely be signing up to more cookery classes at Idea Store Learning.

There was a great variety of recipes to try and the tutor was very flexible in terms of what the students wanted to make.
