

Technical and DIY Skills

“I decided to do an upholstery class as I needed a creative outlet for my passion for interiors and furniture. I had no previous experience in upholstery which was no problem for the wonderful teacher Sylvie.”

“I have learnt so much, traditional as well as modern methods, that I am able to work on projects myself with a view to starting my own upholstery business. Upholstery is something I've always wanted to do and the Idea Store gave me the opportunity to do this. It's a great place to turn your hobbies into something more.”

Progression Route Technical & DIY Skills

I enjoyed all aspects of the stained glass course and liked working independently and receiving guidance from the tutor at the same time.
