Sewing Techniques

– Intermediate

I really enjoy this course. The teaching is great and the classroom is well equipped.

You can access professional machines to make garments to an extremely high standard. Having started as a complete beginner I'm now making my own clothes using a variety of sewing techniques and fabrics. I've just finished my own leather jacket and I'm currently working on a semi-tailored wool jacket. I would strongly recommend to anyone who is interested in fashion and textiles.

Garment Pattern Cutting
and Sewing – Beginners

I love textiles and fashion design. I began this course because understanding how to draft patterns allows me to be more creative. My knowledge and confidence in sewing has really improved!

My ambition is to run craft workshops and for this to be my main source of income whilst raising a family. I intend to continue to make more clothes and accessories for myself and for others, and with my increased confidence guide others on how to sew.
