'Get Qualified' courses – up to Level 2

We have changed the way that we are supporting learners who wish to enrol onto a course up to Level 2. These courses will have standard concessionary rates as well as a new rate for those who are employed but earning less than

£17,000 per year (U17K). This means that fees will be more affordable for learners who wish to improve their skills while working. Those wishing to take advantage of this new rate will need to provide us with evidence.
