CASE STUDY

Adam Toth

Digital Film Making - Beginners

I have been with Idea Store Learning for about 4 years now. Idea Store Learning has great courses for unbeatable prices and this course is as good as any I have done so far.

The tutor is helpful and inspiring, the coursework is challenging! I particularly enjoy learning new skills which are taught in a fun a practical way. I'm now more confident at making videos. In the future I would like to incorporate videography into my business and make short promotional and testimonial videos for companies.
