### **What examination or assessment will there be and what will it involve?**

You will complete a self-assessment at the beginning, middle and end of the course.

The tutor will carry out informal assessments to check your understanding but there is no exam.

Your tutor will let you know how you are getting on throughout the course to ensure you are working to your full potential. You will participate in regular self assessment.

At the end of the course you will receive written feedback.

### **How will I know I am making progress?**

You will have an individual learning plan to monitor your own progress.

You and your tutor will be able to monitor your progress through the self-assessment form and monitoring your progress against the course learning outcomes.

Your tutor will give ongoing feedback and will keep you informed of your progress.

You will also need to evaluate your own progress and manage your time.

Please note it is important that you attend all the scheduled sessions punctually in order to maximise your chances of benefiting from the course.

### **Is there anything else I need to know?**

**Please note it is important that you attend sessions punctually.**

**You should aim to arrive at class at least 5 minutes before the start so that you are ready to commence on time.**

### **What if I want extra support? Contact the Learner Support and Advice Team**

The Learner Support & Advice Team can support learners to help them achieve their education and employment goals. Information, advice and guidance are given on a range of issues including financial support, support available for learners who are disabled and learners with learning difficulties.
