Title: **“Women”**
by **Mariam Mohamed**

This story is a true story, not a fantasy. A story about courage and determination. Inspiring story for every woman deprived of her rights. Rosa Parks, the woman who makes a difference in this world. Everybody think she is brave but she is not only brave, she is a very beautiful woman and she believes in herself. Rosa Parks lived happily and ordinary childhood with her family in United States of America.

One day Rosa Parks refused to give up her seat to a white person on the bus that was on December 1st 1955 and she got arrested by the police. Most of people of black and some white people too they did not take bus to work or to school for 381 days. After that the government had to do something, they made a new rule. Black people no longer had to sit in a separate section of the bus, it was start a step towards equality and justice for everyone. I really admire her, Rosa Parks my hero, she is a very good role model, she sacrificed herself for her cause.

Rosa Parks story had influenced my life. Especially I was exposed to many racist attitudes when I was a kid. So every woman should have a goal and seek to achieve it to live her life with confidence and happiness.
