By **Farmina Yeasmin**

On Sunday 8th July we had a party, it was really fun but sadly our neighbour's dog came in where the party. All the children went on bouncy castle. The girl's name is Samiya, Samiya was panicking then the dog bit her on the leg! The dog went inside, we called the ambulance. They took her to the hospital. She will have plastic surgery. Thank you for reading hopefully she has a quick recovery.
